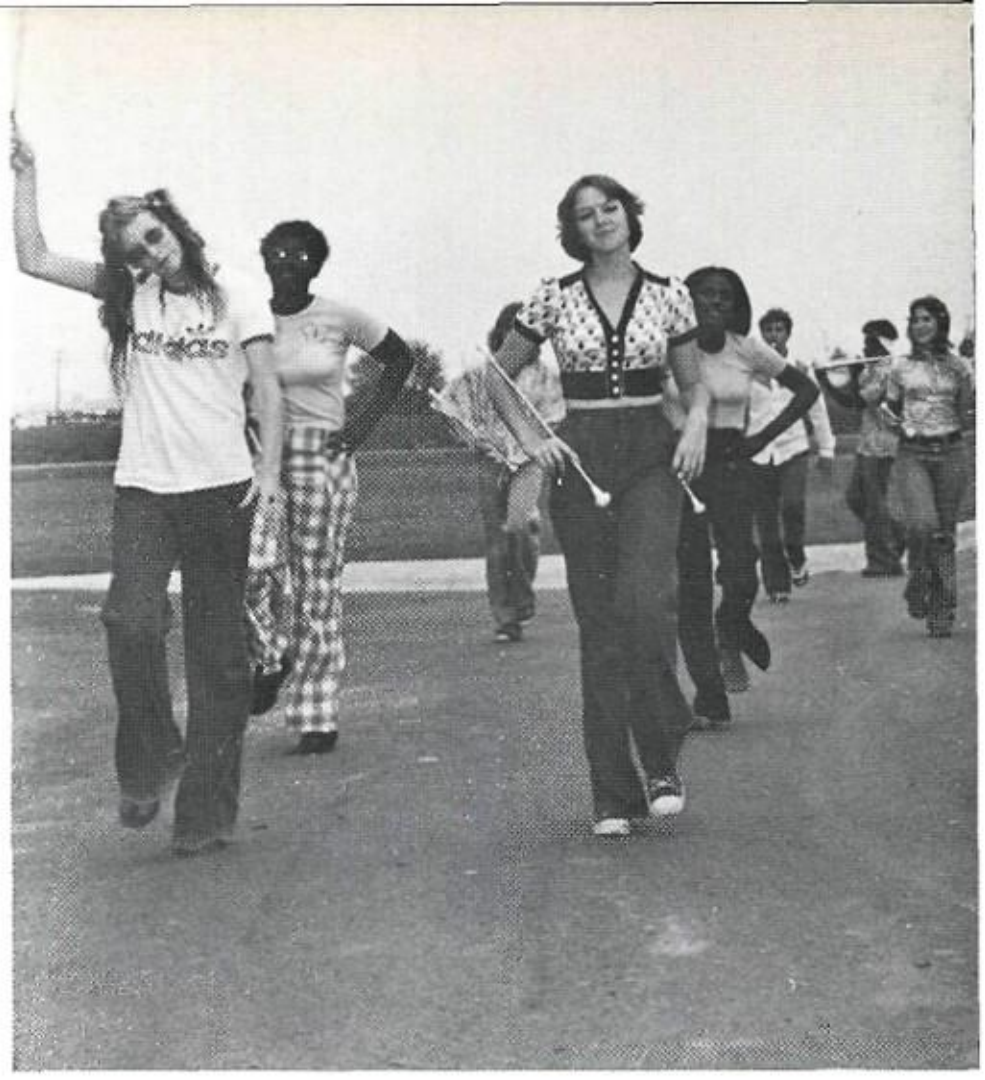
Watch It Happen!

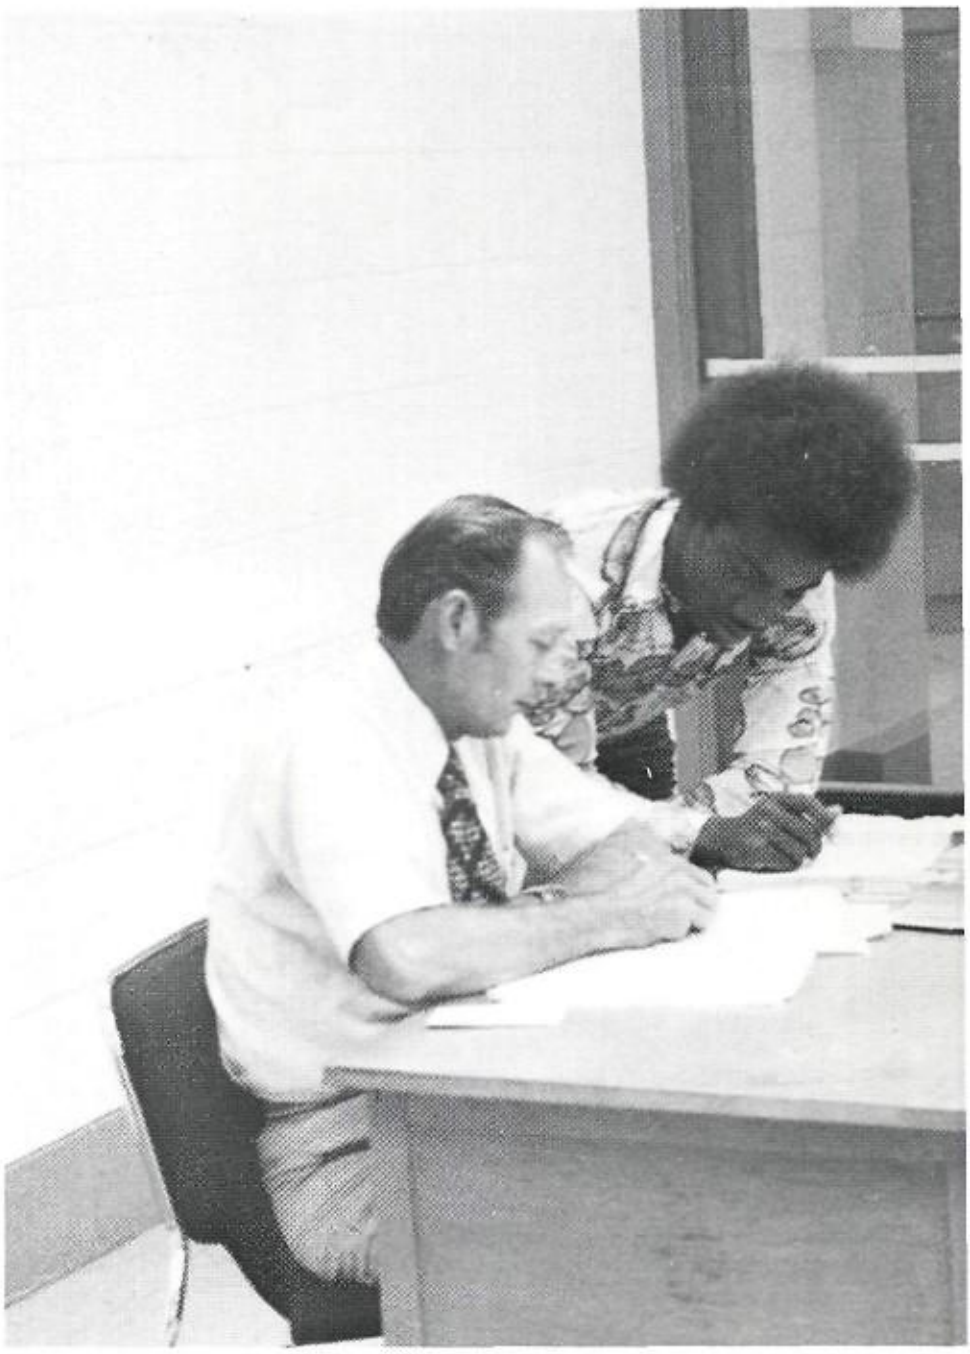


Sit back and relax folks, because after all the excitement and rush-rush of the year you need a rest. We, the '77 Lion wish to review all that has happened this year because with all the running around that went on you may not have noticed everything.

Let's use, for instance, the election. Did you happen to notice who won? The elections went by so fast you may not have. Well, if we said "Peanuts" would you know who we meant? That's right. Jimmy Carter.

There are some schools with students who have hopes of becoming President someday. But many of the students at E.H.S. will enjoy our new facilities at school such as our track field, tennis court, and our soon-to-be football field. Another new facility which comes in quite useful is our new Cafetorium. Whether to satisfy the hunger of the Student Body and Faculty or the stage used for entertainment (Which we can say is used for enjoyable entertainment).

Well, did we give you enough clues to what you should expect to see in the '77 Lion? Good! Now sit back and . . .



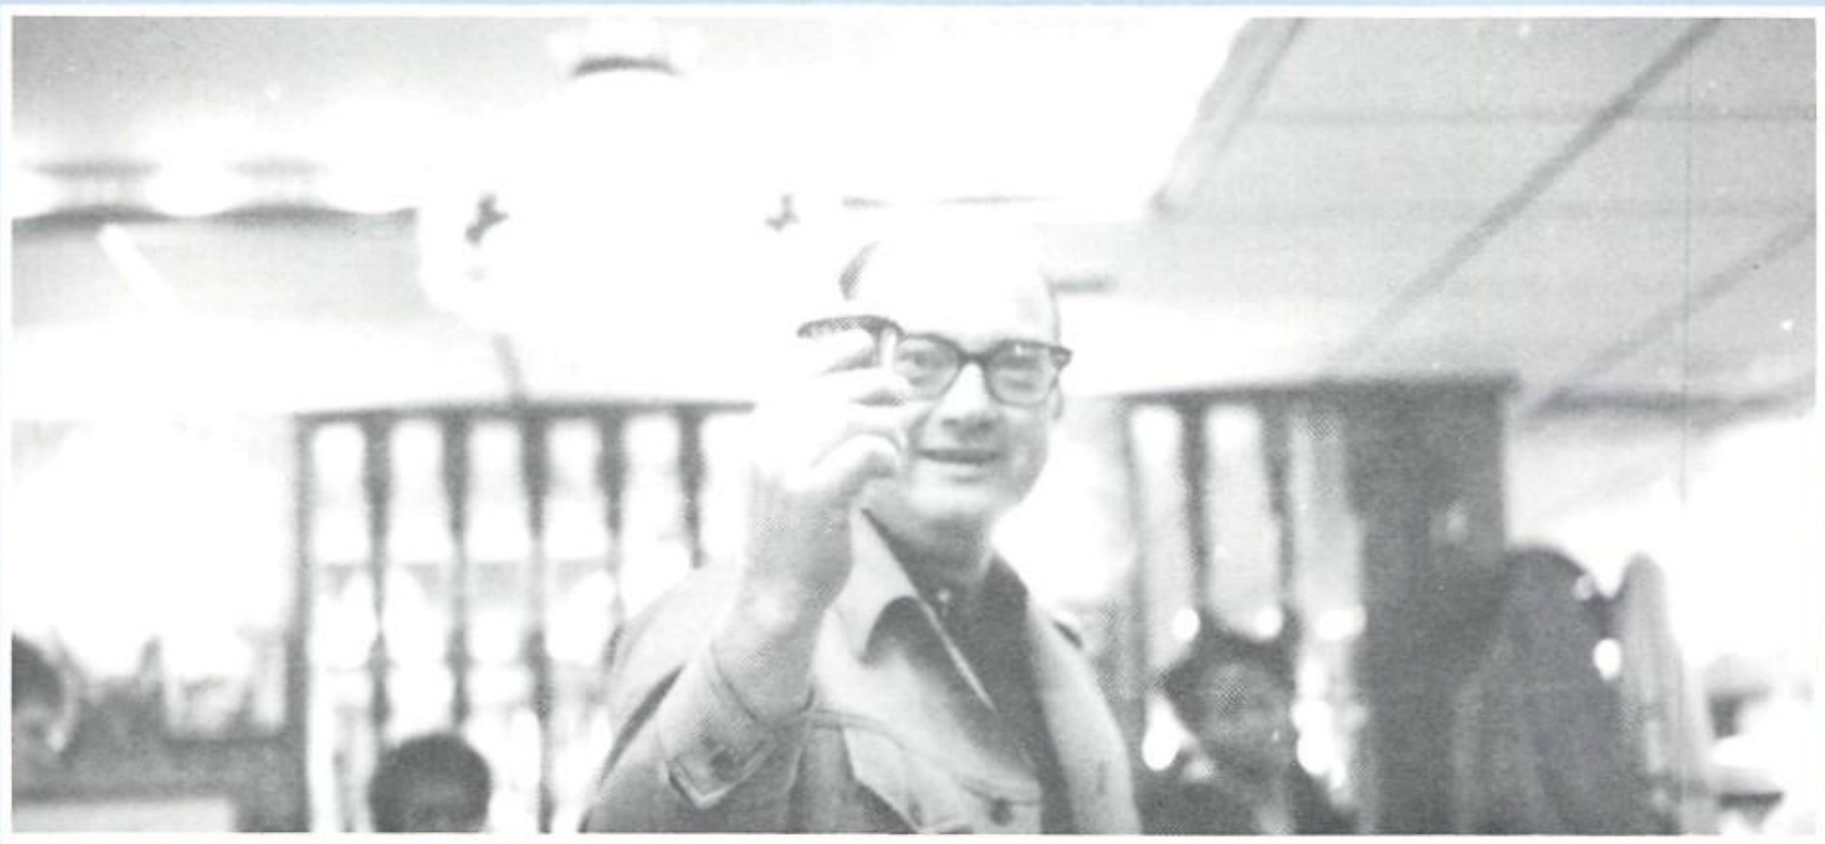
WATCH IT

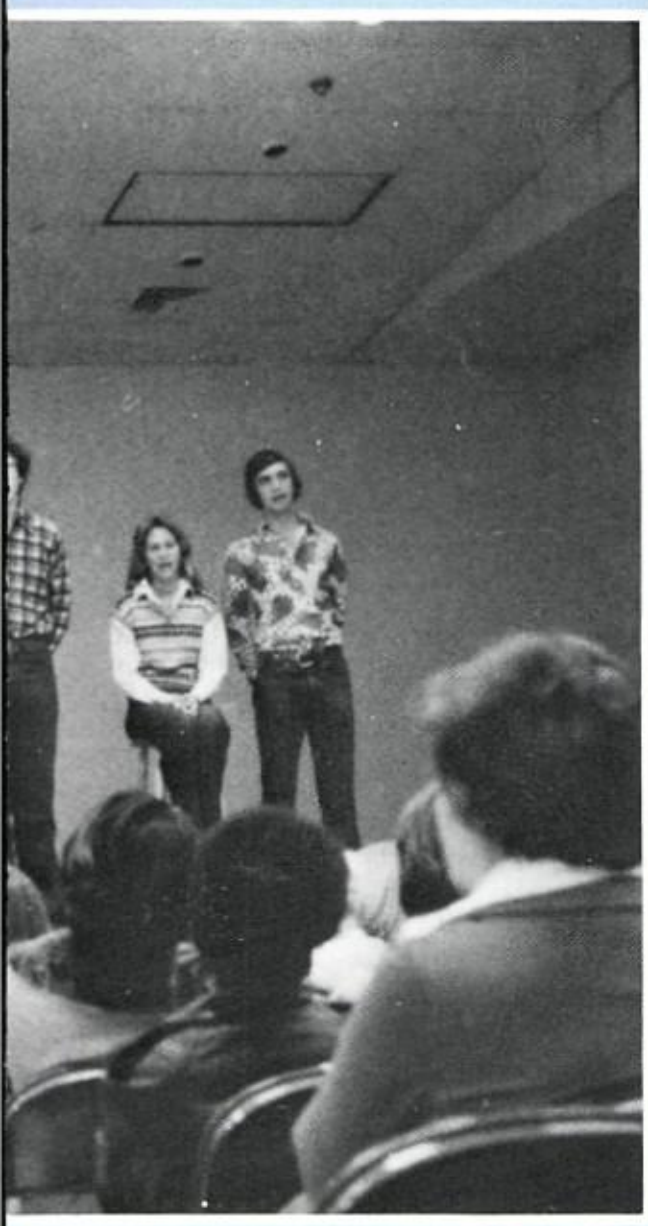
HAPPEN

Watch it happen as we take you on a short tour of some of the many activities at E.H.S. The first stop on our agenda is at the E.H.S. parking lot, where we hear Sandra McNeeley exclaiming "I don't think this is right." As we move on we see the E.H.S. band hard at practice. The next stop is at the study hall where we hear a conference between student and teacher. "But Mr. Polk, how did you do that?" Well, so much for that. Next we see a proud Arkansan wearing a FFA jacket. As we tour the library we see 2 hardworking students. "Marshall, why do you have such an evil grin on your face?" Last but not least we have the E.H.S. Bobsy twins. As you can see, E.H.S. is full of interesting people.

It's 3:25 p.m. on a Friday. Five minutes until the city of England experiences the sound of cars and buses rushing home for the weekend. Through the schoolday, we hear the teachers telling the students, "Don't forget that test Monday on page 149" or "Just settle down, it's not 3:30 yet!" After school students go shopping at Little Rock, support their school by attending the ballgame that night, going up town and just riding around, or playing their favorite sport as we see Kevin Palmer doing.

Everybody Loves A Friday





WATCH IT

Watch it happen as the E.H.S. students move along to their next class. As the bell rings to end the class, there's a mad rush to the lockers to get that math, history, or English book. There's not much time to talk in-between classes, but usually everybody finds time. As we hurry along, whatever you do, DON'T BE LATE!

HAPPEN

Well, here we go, down the halls at Good-ole E.H.S. As the people crowd through the halls, all eyes turn in disbelief as we see one of our oldest babies on her way to a most important class.--How to change a diaper.

Beauties Of A Winter's Eve

Our M.C., Bill Rogers did his part to help with our pageant. We hear him saying, "And the winner is. . ."

Watch it happen with the "Beauties of a Winter's Eve". Starting on the opposite page we see Tammy Krisell as she sings, "Love of the Common People". Next we see some of the girls in evening dress competition. Moving right along, we come to the judges. We see one of the male judges thinking, "Sure wish I was 18 again". We come to the Sophomores in the Dressy dress competition. Now it's time for a talent number by Scarlett Tucker. Scarlett sang a song by Barry Manilow entitled, "Lay Me Down". Miss Congeniality was awarded to Tammy Krisell. This award is a very prestigious honor becuase it is voted on by the girls in the contest.

All in all it was an experience for everybody. As you can see by the expressions of the people on these few pages-the burst of emotions-nervousness, tension, and excitement, that E.H.S. is full of both interesting and talented people.

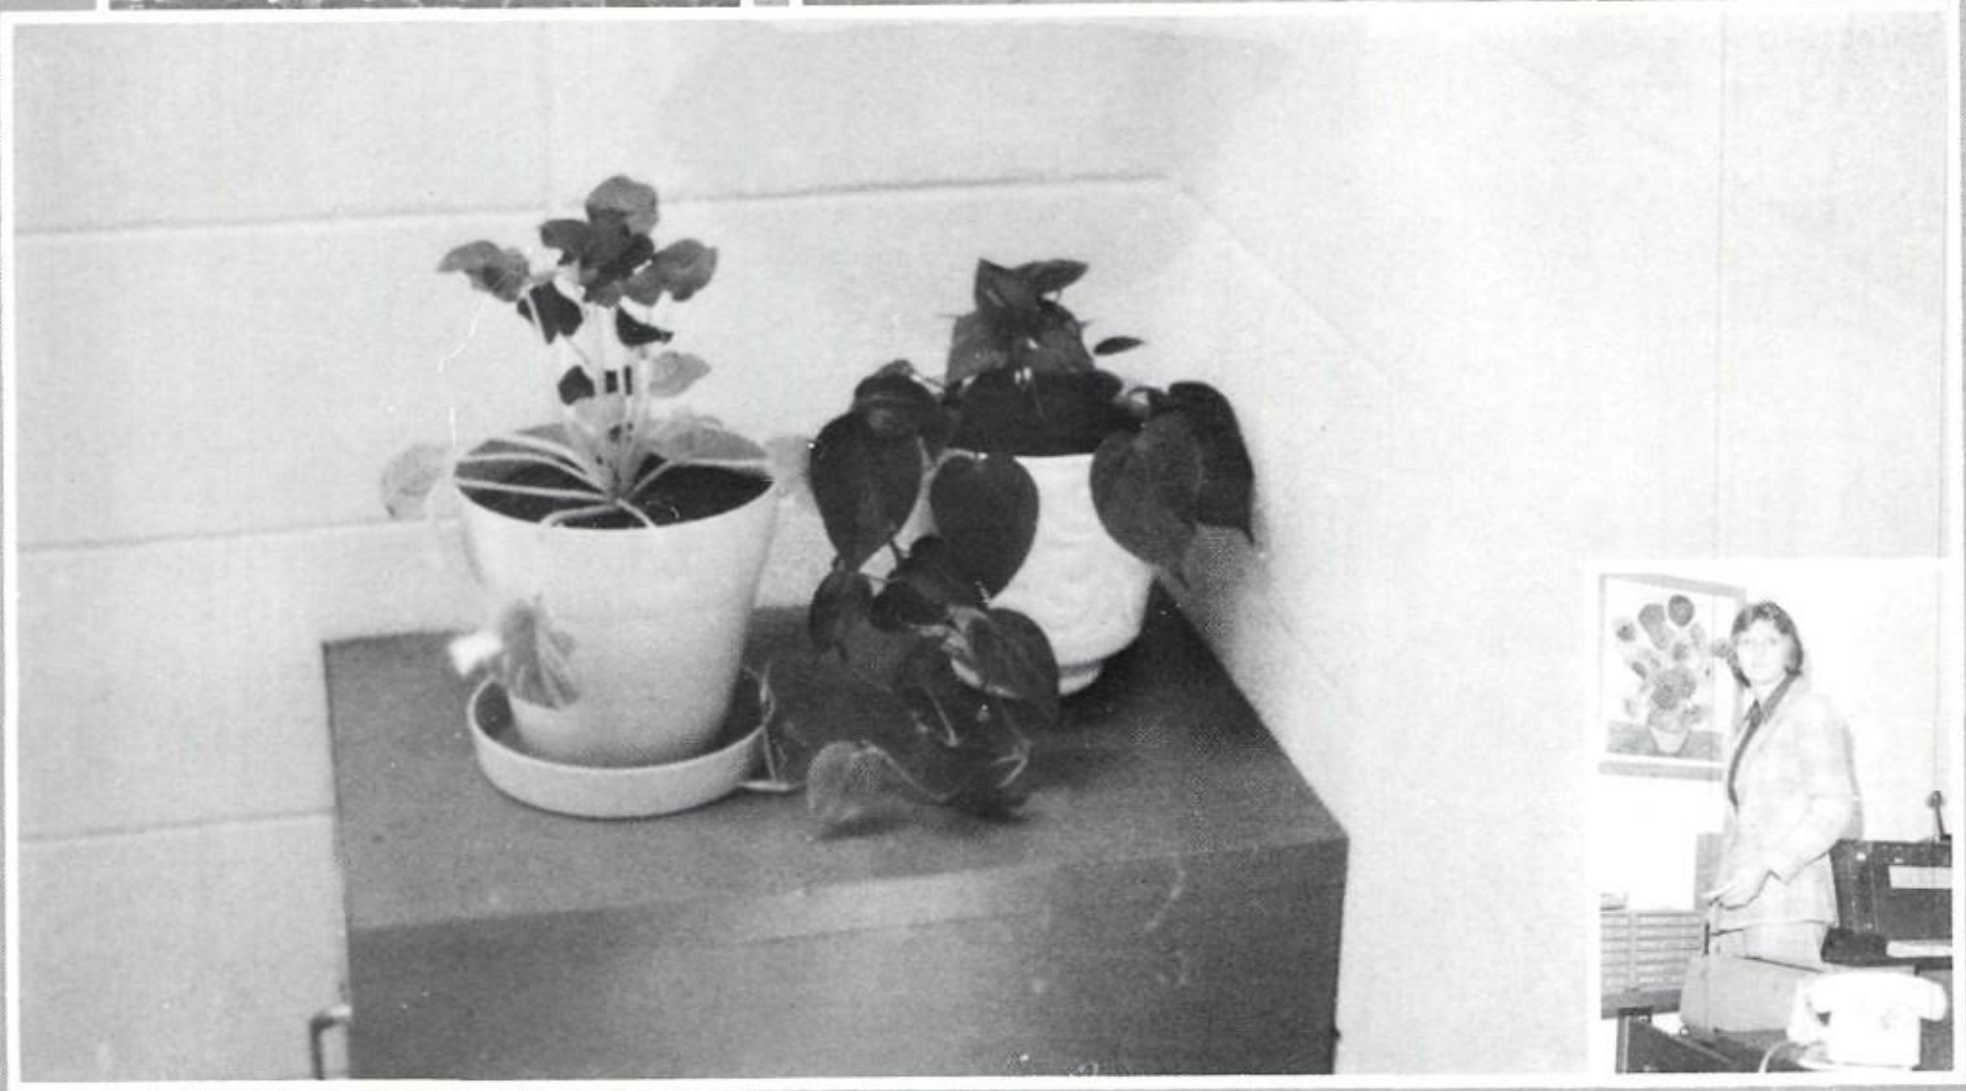
What It Comes Down To . . .

Congratulations are due to these eleven active students. For the Jr. Boys, the winners of the All-County Honors were Ted Baker and Dwight Scribner. For the Jr. Girls the winners for these honors were Carolyn Reed, Laura Chaney, and Minnie Johnson, who recieved the "Most Valuable Player Award." The Sr. Girls winners for the All-County Honors were Kim Houser, Valerie Baker, and Alice Farmer, who also received the "Most Valuable Player Award." Terry Brazeal and Curtis Sanders brought home the Honors for the Sr. Boys.

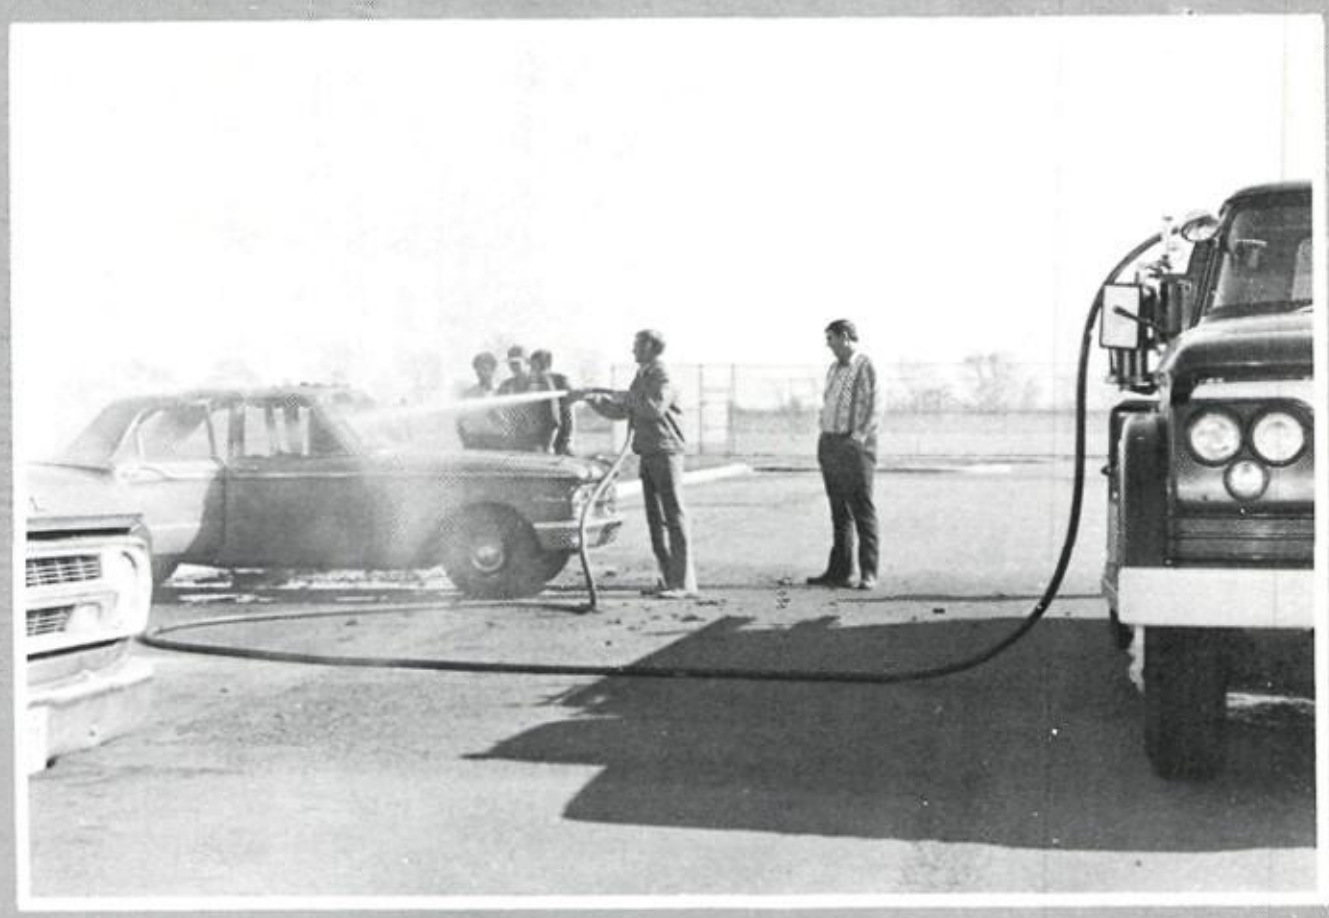
Mike Coffman won the "All-Conference Award" for our Sr. Football team. Mike is the only tenth-grader in quite awhile who has earned such an award.

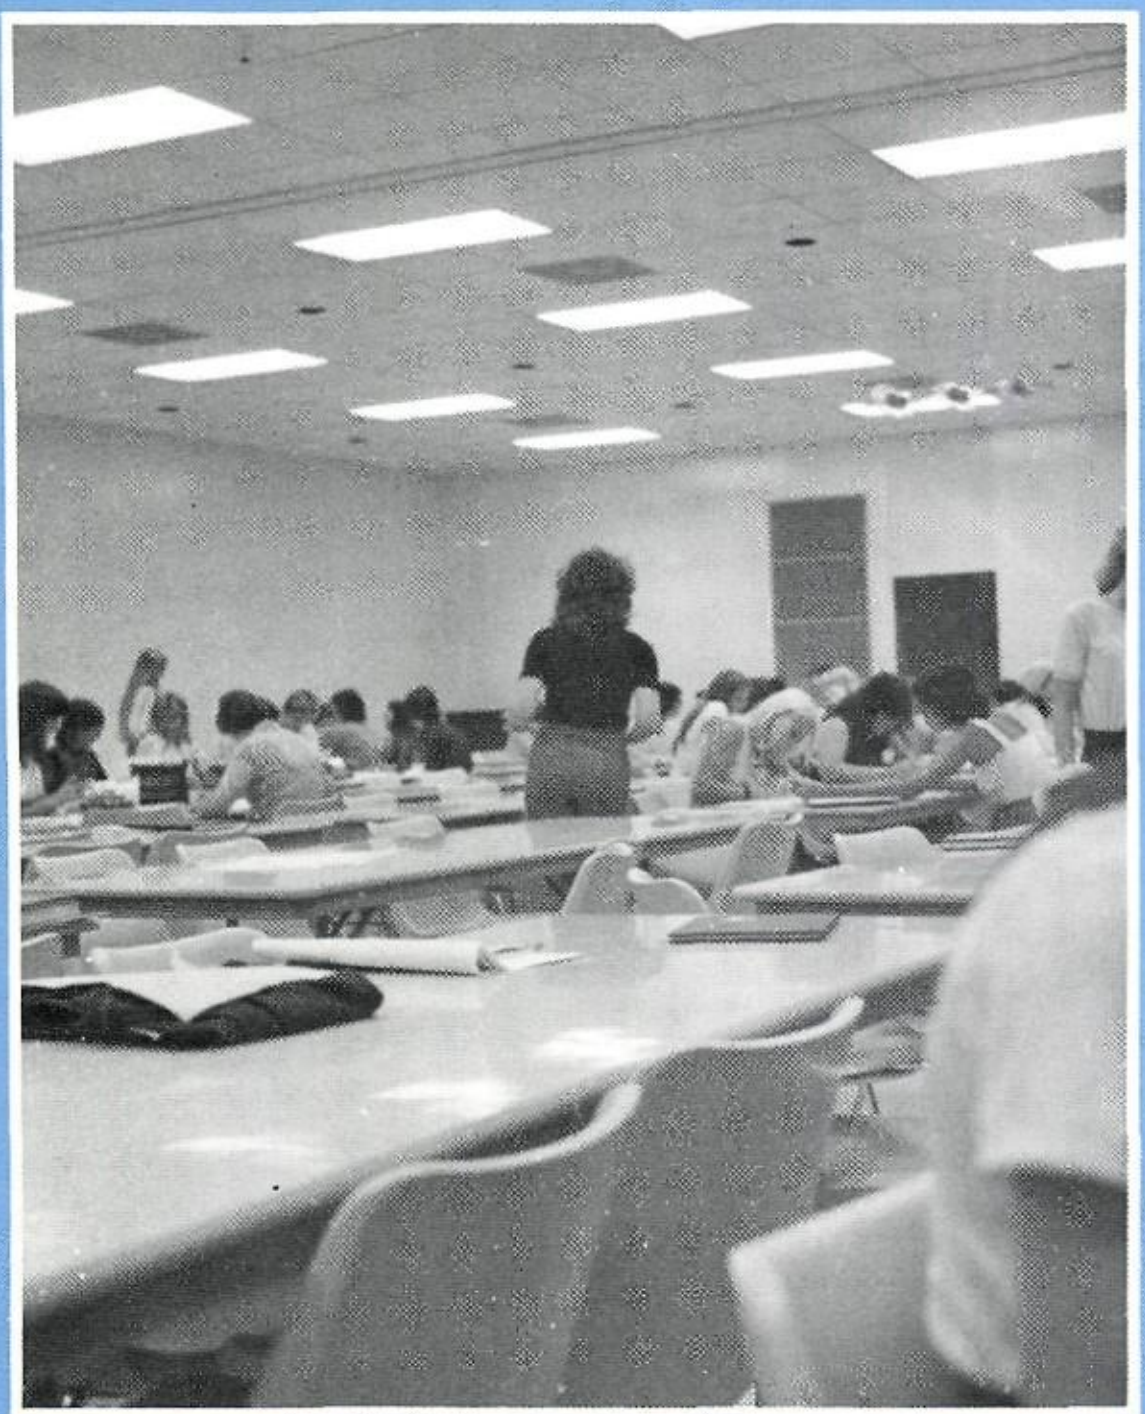
Congratulations E.H.S. students. You have made yourselves a name for the E.H.S. Lions and Lionettes.

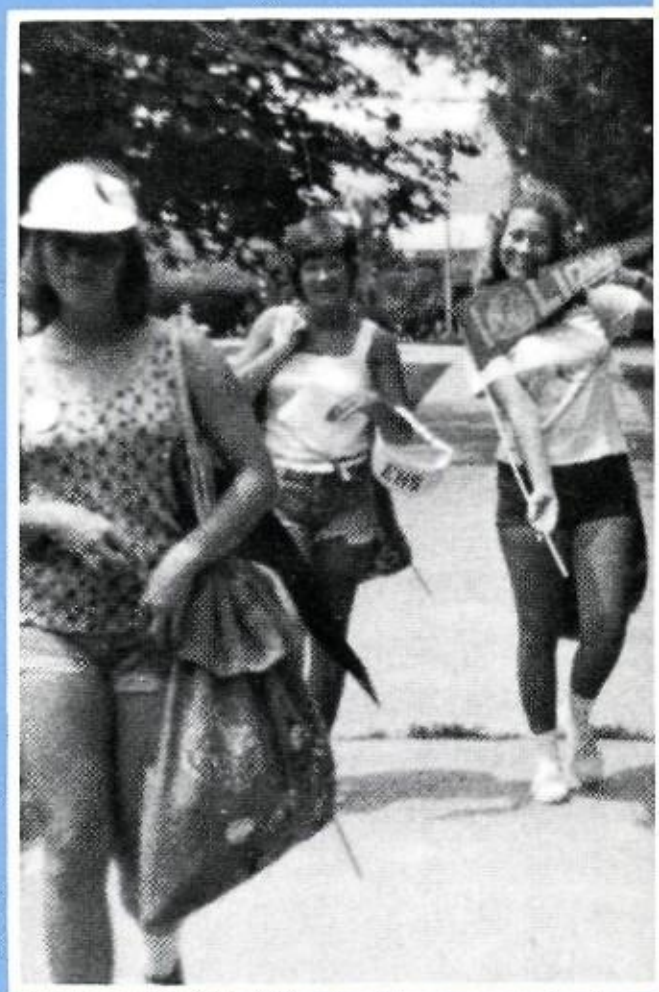
Unusual Days At E.H.S.



If one would ask what goes on at EHS or with the people here, this could very possibly be the reply: Happy people eating at Farle's on McCain Mall. Or it could be just falling out after a hard day's work of posing for pictures--such as Tracie Jeans. Or maybe walking into the school and finding there are no adult teachers just sixteen or seventeen helpful students giving teachers a day of rest. Last but not least, is finding out that someone's car is on fire in the student's parking lot. And come to find out that the hard-luck person is Y-O-U--Robby Hudson!





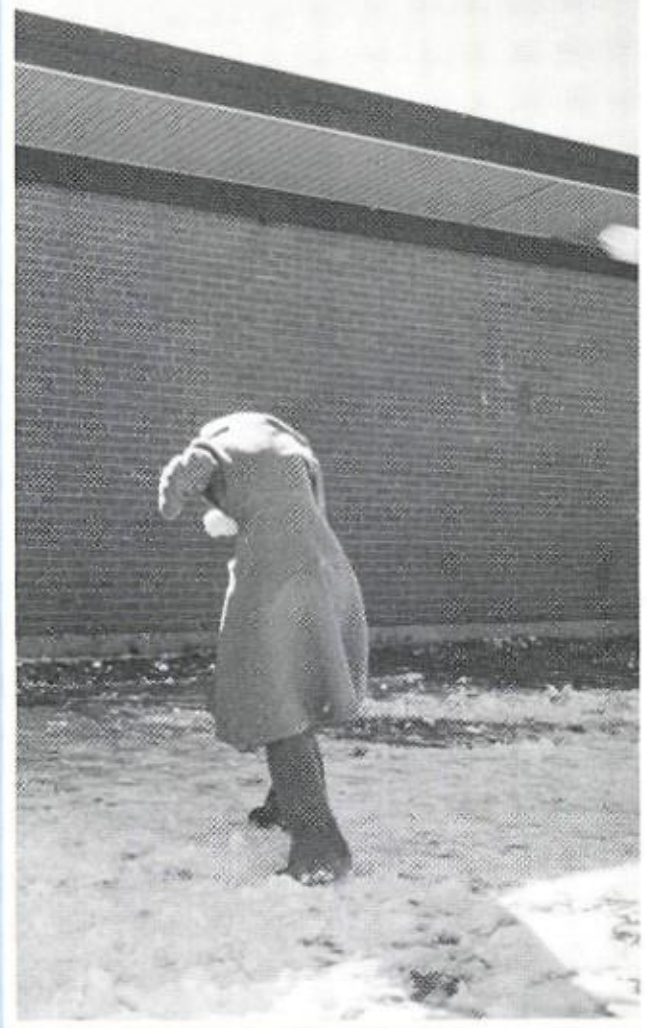


Let's Go Camping!

Pack up your suitcases, don't forget your toothbrush, and get ready to go to camp! Yes, during the summer many students from England are involved in various camps. Some of these include photographers camp, annual staff camp, paper staff camp, and cheerleading camp. Students attending these camps go there to get a better understanding of what they are involved in as well as having a good time and meeting new people. Whether it means attending sessions for 2 hours, working hard learning cheers on a football field with over 800 girls, or learning how to develop pictures, you'll always see someone from E.H.S. there. All in all, the purpose of attending these camps is to bring back new ideas to make our school a better one.

Homecoming week was devoted to the uplifting of E.H.S. spirit for that Friday night game. One of the main activities of that week was 50's day. (Sept. 30, 1976) Students were asked to dress up the way they thought people in the 50's did. The day started off with an assembly program by Bill Spencer. He presented to the school a film on Highway Safety. After the assembly we worked on classwork or floats, depending on what the teacher said. Everybody was busy fixing last minute details. Many students thought it was a holiday and stayed at home getting ready for the exciting game. Finally, 6th period arrived, and everybody attended a pep rally "50's style." The cheerleaders did a pantomine to "Its My Party" by Leslie Gore. Everybody was fired up with E.H.S. spirit. Then, the final bell rang and school was out for the day. But Friday, the spirit came back, for this truely was the "BIG DAY."

E.H.S. Re-Lives The 50's



Could It Be Something In The Air?

As soon as December and January rolled around you could hear people say, "This will be the worst winter Arkansas has had in a long time." And soon this proved true. Arkansas was hit with the worst ice storm in quit a while many parts of the state set record lows.

Schools and plants were shut down because of fuel shortage. And the state urged people to set their thermostat at 65 for fear we would soon use our supply of fuel.

Although England Schools were only closed for three days many schools were closed for several weeks and some even indefinitely. During this time stores sold out of sleds, batteries and chains. And everywhere you looked there were kids riding sleds or having snowball fights.

Even when school re-opened, there was still lunch time and snowball fights continued. Finally the snow and ice was gone for awhile and the students were back to normal.

Prom Daze

On May 14, 1976, the Junior class presented "The Oriental Express" to the E.H.S. Seniors.

Planning for the decorations started a month before the event. Giant fish were were stuffed, lanterns were hung from the streamered decorated ceiling, and oriental temples and Buddha candles accented the tables and atmosphere.

Through the week everyone was filled with excitement and the rush of getting ready. With the chore of buying dresses, renting tux, and buying flowers, the week passed by all too soon. The memorable night finally came. Entertainment was presented by Lindsey and the Snickers.

E.H.S. Baby Day

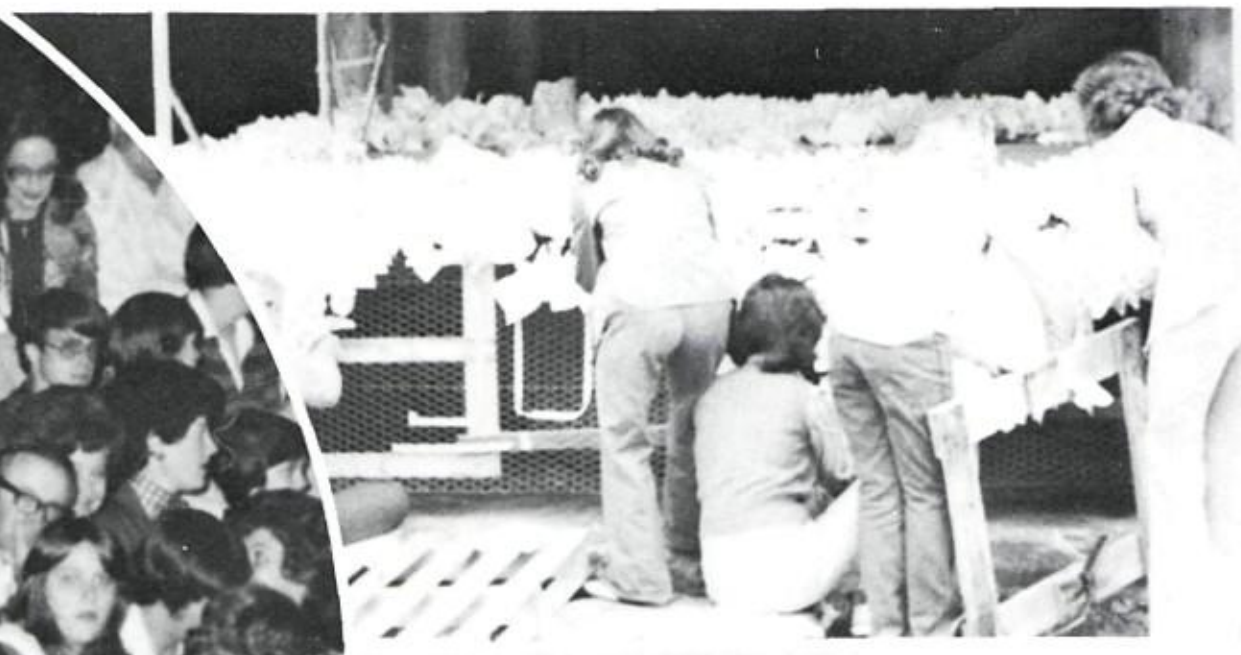
Another activity during Spirit week was Baby Day. Students dressed up in everything from diapers to ribbons and curls. As we take a look at a few of the "Big Babies", we see Tammy Krisell equipped with teddy bear and baby bottle. Next, we have a little lost boy searching for his mother. Down the hall we come upon the 3 Musketeers. Although we had a lot of fun on baby day, we still had to attend classes as you can see.

HOMECOMING

1976

Homecoming is here again. Wow! The year passed so quickly. Homecoming was so thrilling to everyone, especially the honored Royality. Here we see the queen, Lavern Turner, and her maids in line, excited and ready to cheer for our team on this important night. The week of Homecoming everyone worked anywhere from building floats to practicing for the parade. Even though the Lions were defeated Homecoming Night 34-0, all in all it was an exciting Homecoming.

Fever Strikes Students



Through the 9 hard working months at E.H.S. we all go through a stage called Homecoming Spirit fever. Everyone at school gets excited and many get involved in Homecoming. Whether it is people working on floats (as many people often do) or just goofing off becuase it's Homecoming. But in any case many people showed the symptoms of the fever by coming and cheering at the Homecoming game.

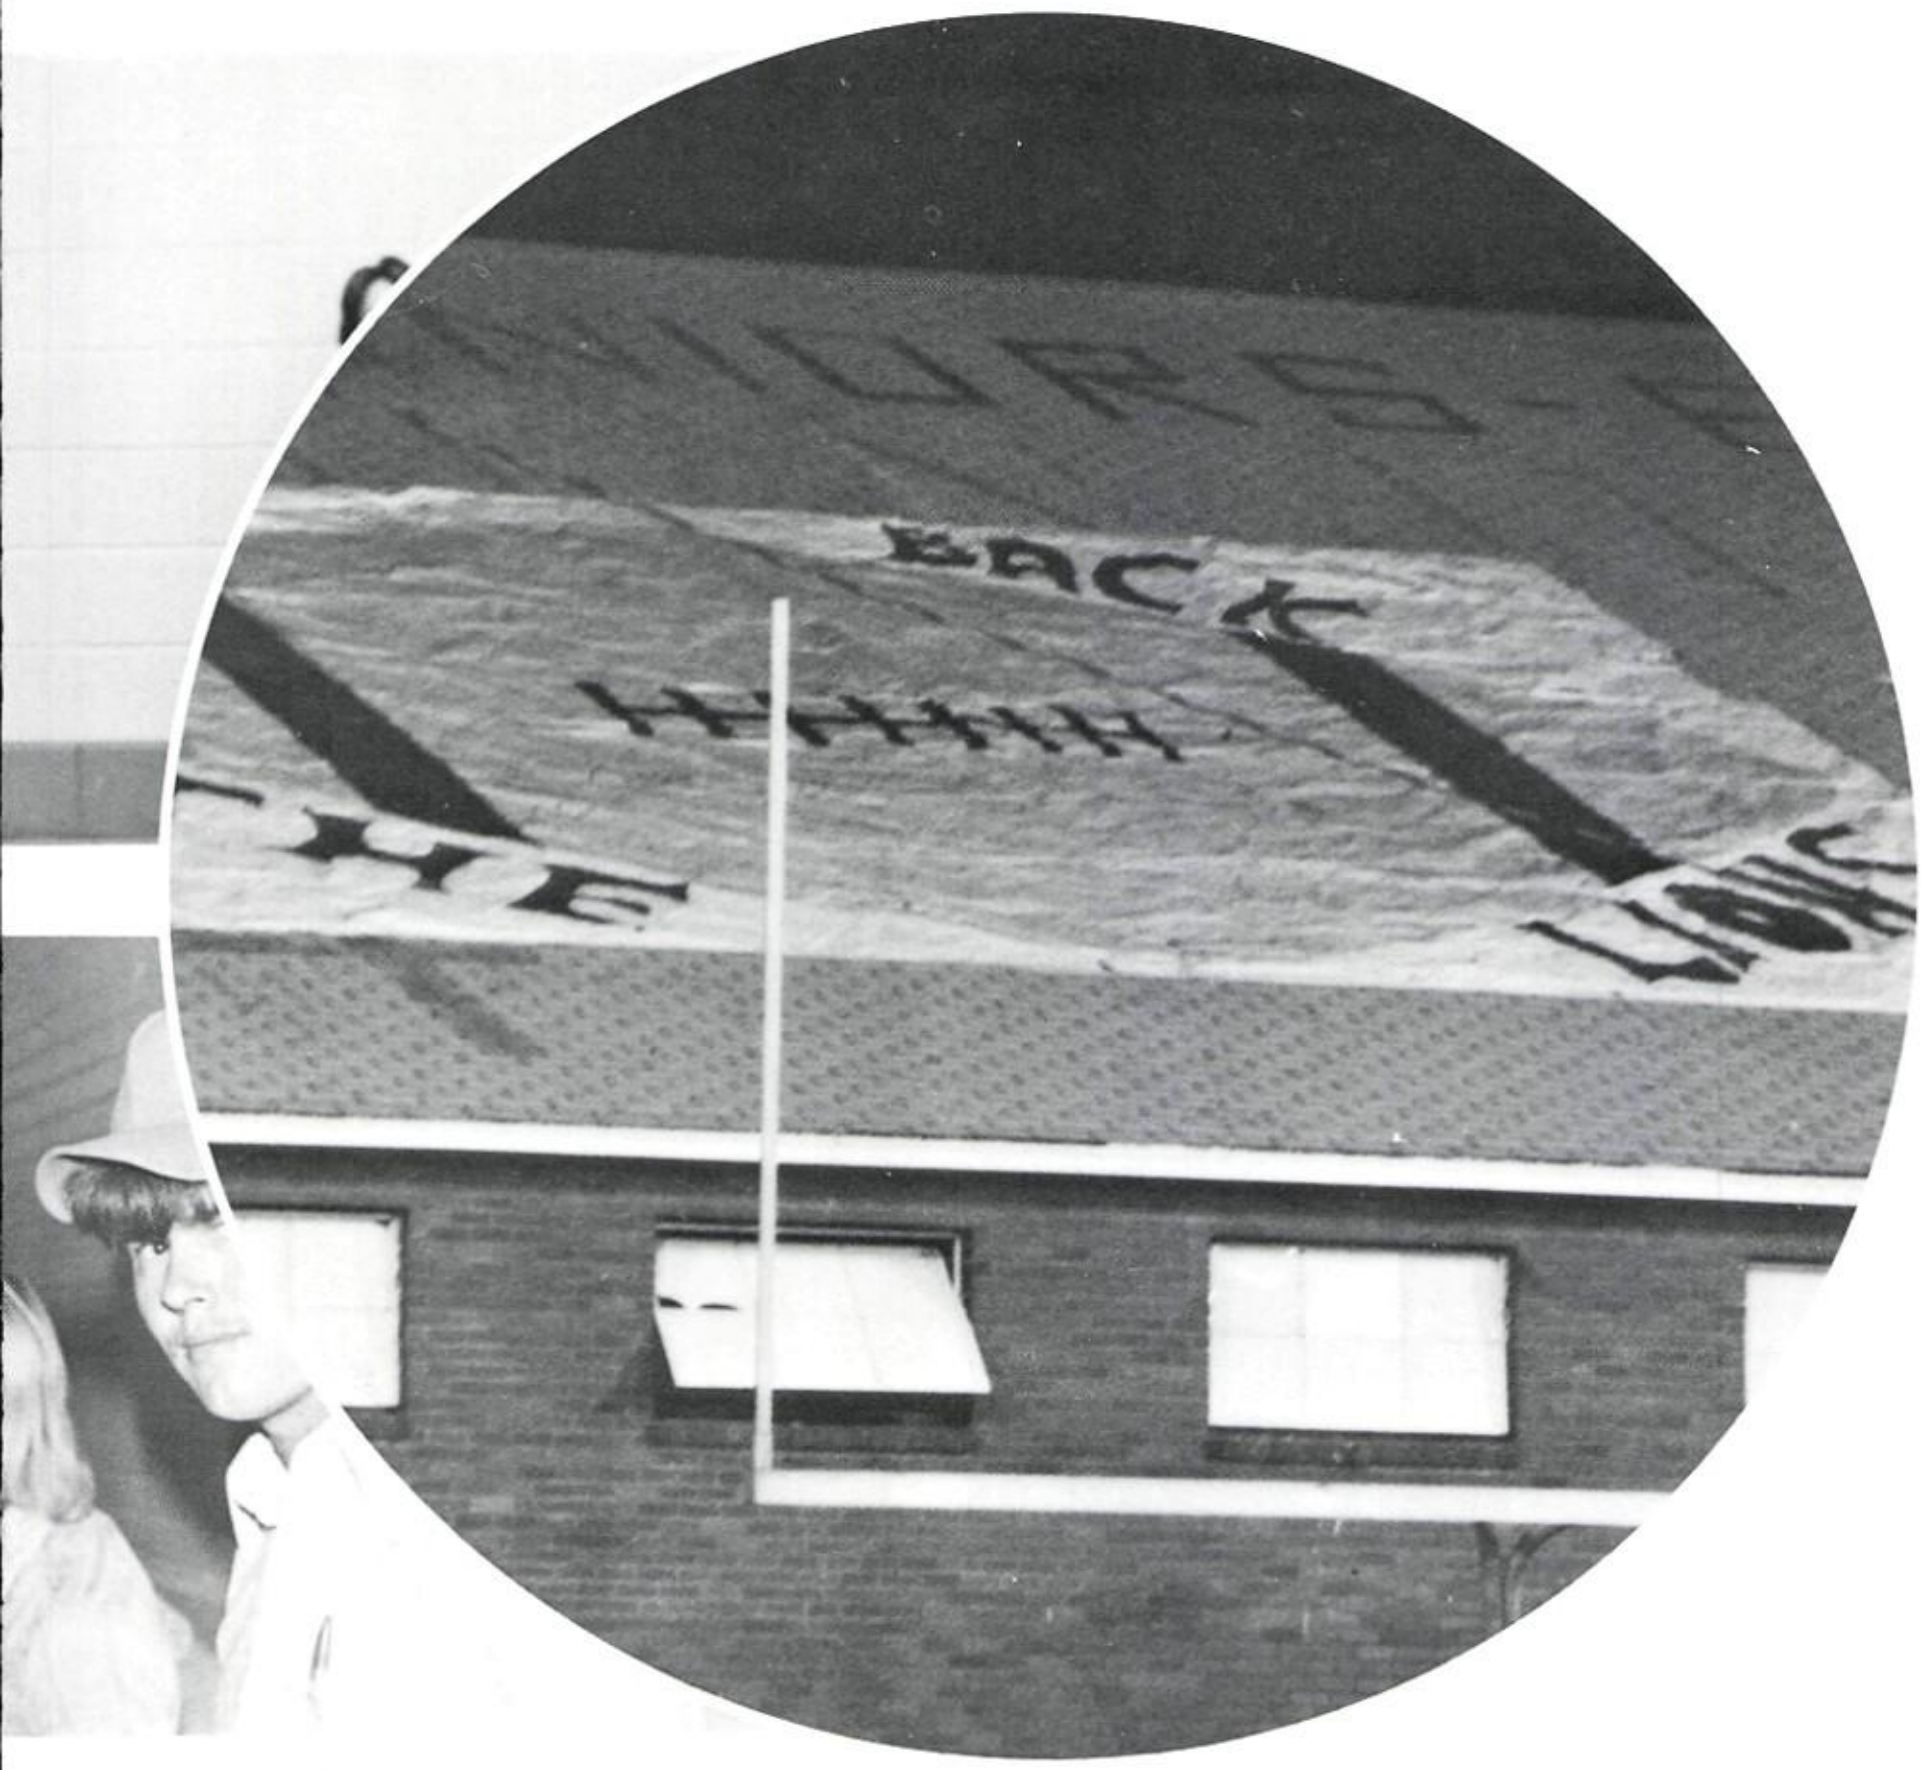
Believe it or not, all these people are concentrating. Why, look how hard David, Marshall, and Tommy, even Mrs. Jones are concentrating! Boy, you sure can tell this is Mr. Webb's speech class. (Because they're all thinking so hard.) We're not sure about the band or Mr. White; but we know they have to be thinking about something!

The Concentration Game



Hey, that building looks familiar, but something sure looks new. WOW. It's that giant football. Remember at homecoming, that giant football we all autographed? It just showed we cared to support the Lions. Hey, how did that football get up there in the first place!?!

WHEEL

A Night To Remember!

For some it was their first homecoming and for others their last, until they move on to high school.

Homecoming week was full of fun, excitement, hard work, and, most of all winning the most important game of the year. Some girls were given the honor of being chosen as royalty while others were there to cheer and keep the crowd moving. Others who supported the Lions were in the crowd cheering their team to a 6-0 Victory.

Sports

We wish to start remembering this new year by watching our sports. As you will notice, our sport section is quite exciting. In these upcoming pages you will see our football and basketball activities. Were you at all of the games for both seasons? Well, if you weren't we'll catch you up on what happened in this section of the annual. Are you ready to watch it happen with us? Good! Let's go.

Senior Football

Spirit is the word of Senior football this year. I am proud to say that we did make a few accomplishments. We were the first team to score against Des Arc, who ranks NO. 1 in the State.

The Lions were a youthful team but full of dedication. They had the support of the whole crowd even though there record wasn't an excellent one.

They also had the guidance and leadership of coaches Henley and Gatling.

Our Homecoming was spoiled by the Carlisle Bisons, even though the Lions played with a lot of determination. The Bison offensive attack was not to be stopped.

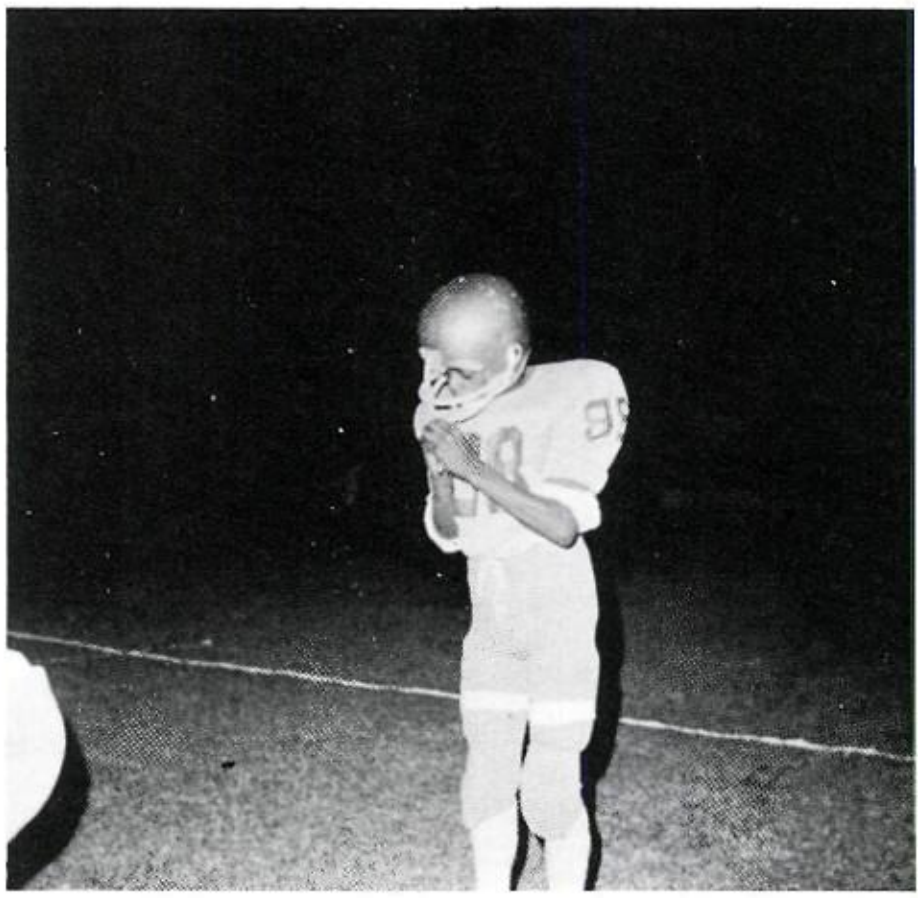
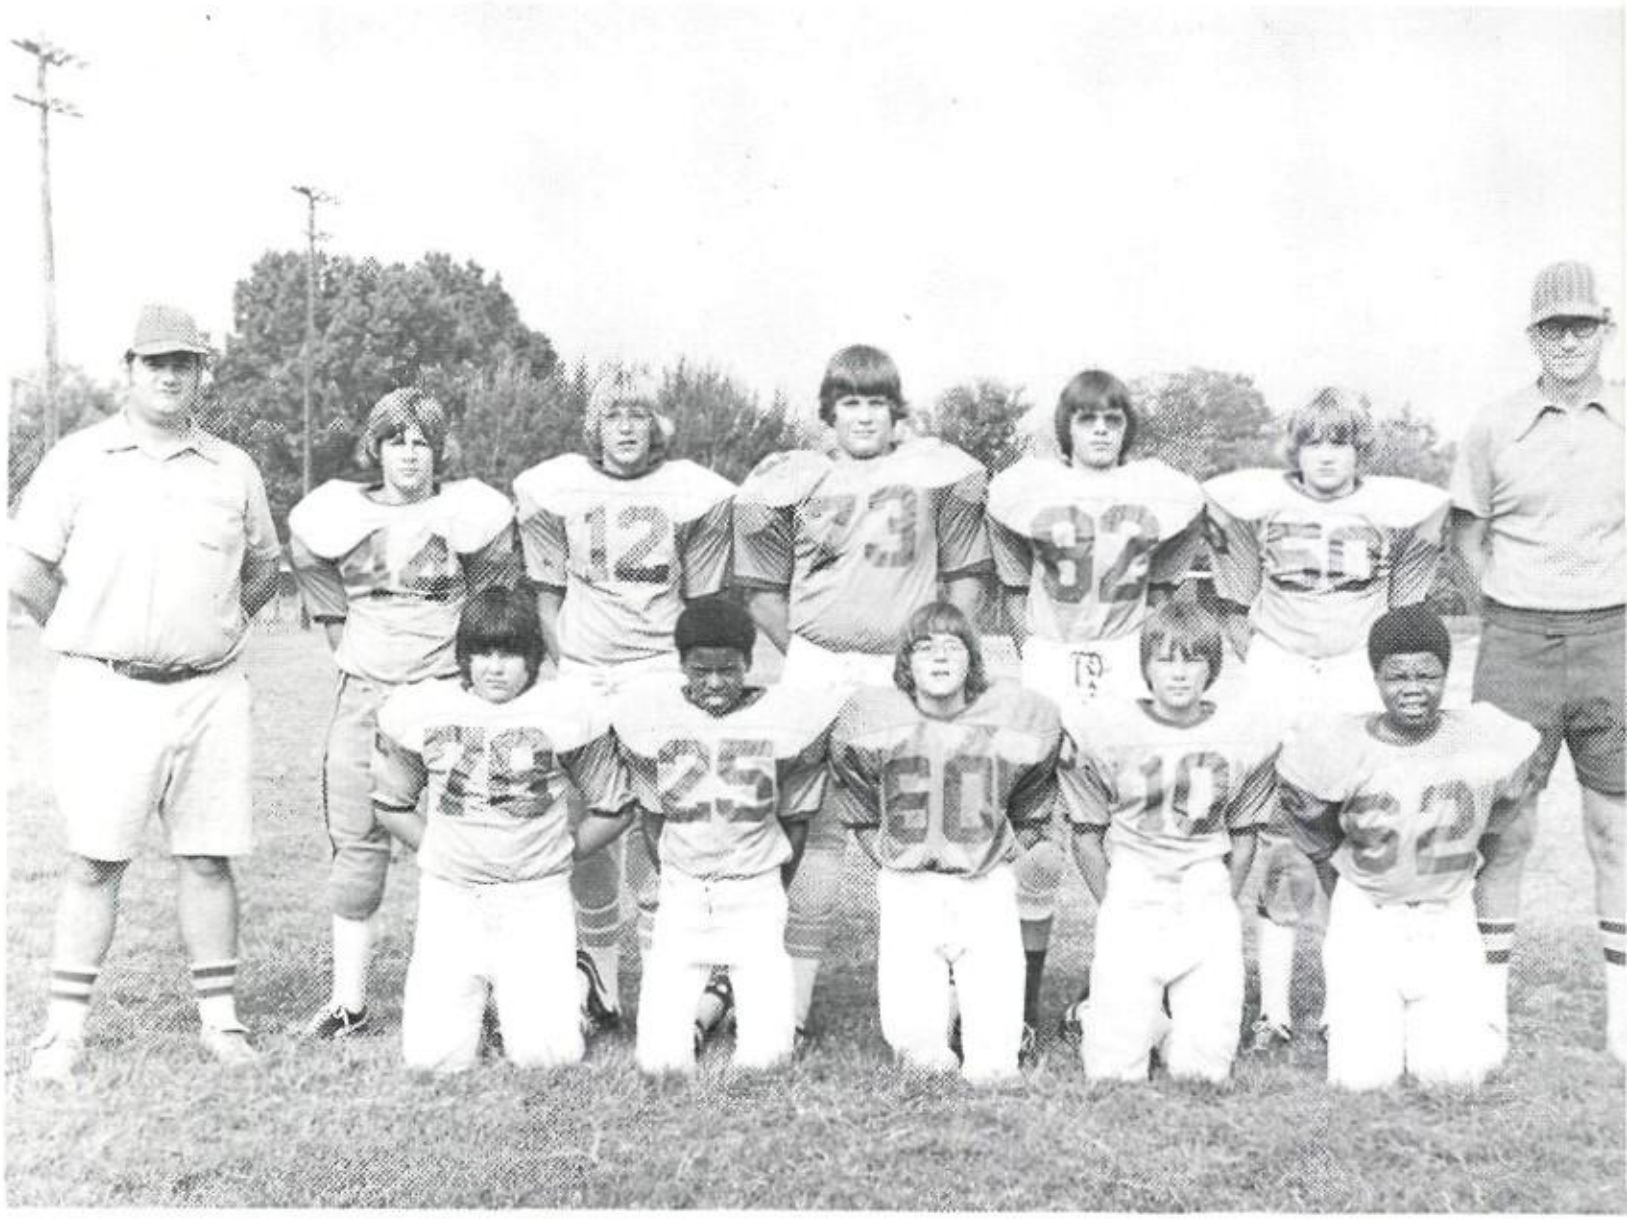
Junior Football

Our Junior Lions started the season off like a blaze of fire, but somewhere along the season the fire cooled off. They ended up with a 3-4-1 record. Which is nothing to be ashamed of.





Our Seventh grade players contributed all the spirit and determination expected of them.

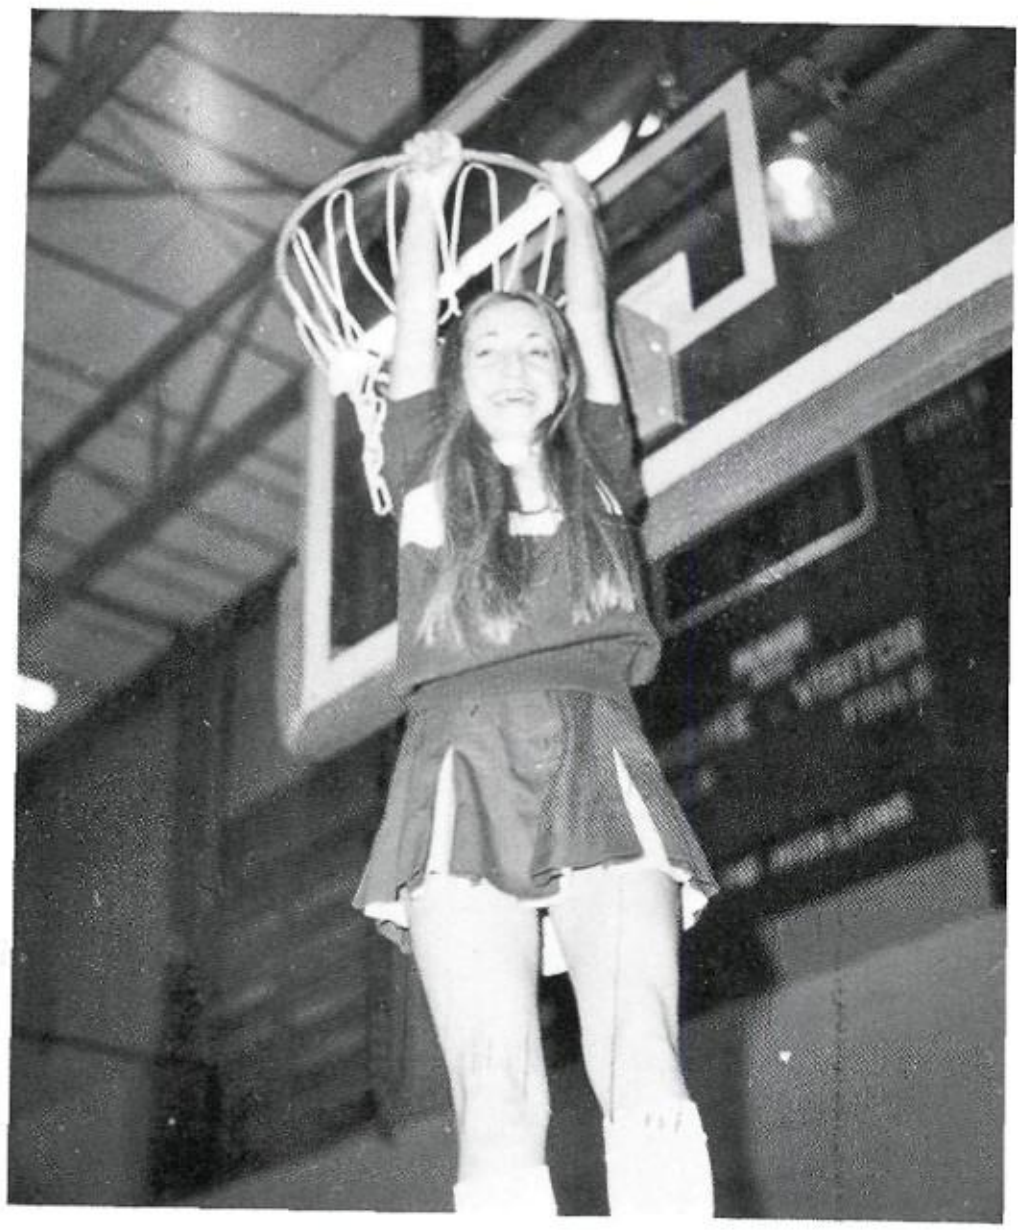
Jr. High Cheerleaders



In late spring 8 girls were elected to the Junior High Cheerleader squad. They all attended cheerleading camp at ASU in Jonesboro, June 14th- 18th. While at camp they were awarded three superior ribbons and a Spirit Stick. All through football and basketball season they went into the games enthusiastically and tried to spread this feeling throughout the crowd.

It takes hard work, lots of practice and determination to be a good cheerleader. We would like to express our appreciation to the E.J.H.S. Cheerleaders for doing such a good job.

EHS Majorettes

As you can see, these are the E.H.S. marching majorettes. The majorettes have done a great job this year. While everyone else is busy doing something, the majorettes are busy doing something too! PRACTICING! Yes, they practice hard after school and many times during lunch. All through the long hard football season, they did their part well in supporting the Lions.

BOARD

Administration And Faculty

Year in and year out as we look through our annual we remember all the good times we had and all the fun things we did. But many times we forget our faculty and administration who gave us the opportunity to come to school to learn and to have the good times to remember. So watch it happen with us as we look through these next few pages given to the faculty and administration.

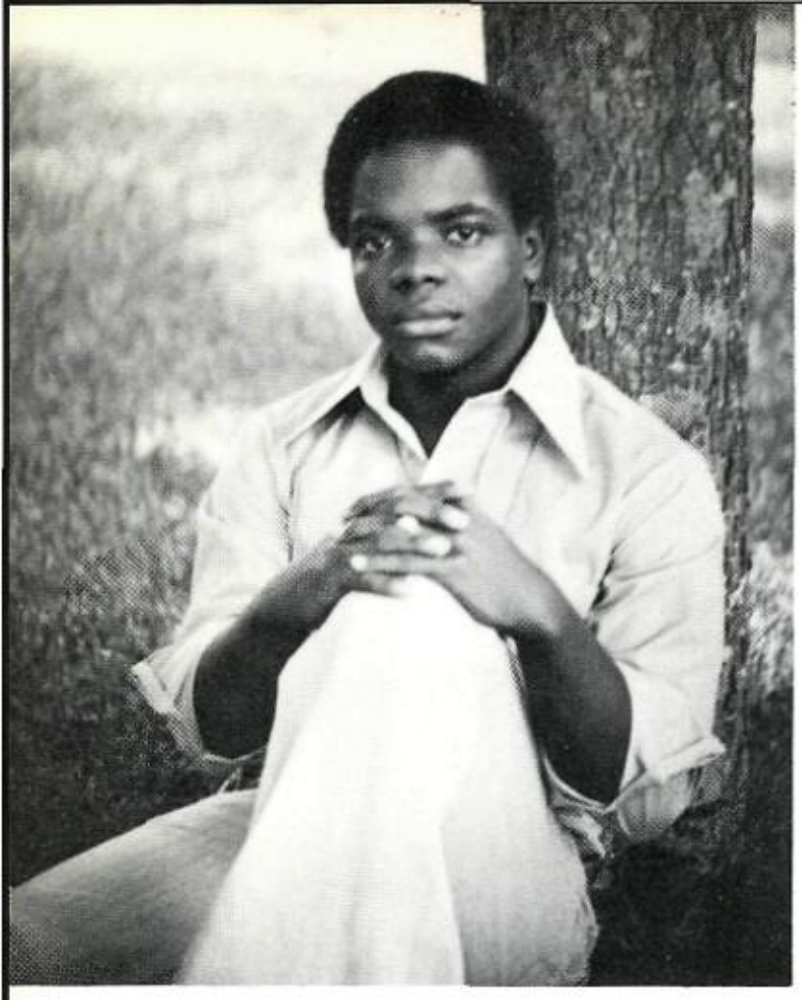
Dedication

For many obvious reasons, it was resolved that the 1977 annual be dedicated to Mrs. Mary Jane Foster who has been striving to serve the England Community for the past 28 years through her unyeilding services to the England Public School System, She has served these years under three different administrators and has given a steady, guiding hand in every case.

We hope that Mrs. Foster will continue to set and support goals and ideas which aid us in remaining high on the educational ladder.

Organizations

At E.H.S. we have many organizations, new and old. Every year these organizations meet to discuss important matters or to get involved in exciting activities, from money raising projects to club conventions. As we look through these next few pages we will see many people involved in many organizations. So sit back and watch what's happening in organization.



The students in Student Council are chosen by their grade to represent the student body as a whole. The Student Council works hard by sponsoring different activities such as Student-Teacher Day and the Powder Puff football game to try to get everyone involved.

We have now watched what was happening in E.H. S. clubs. For most of us it was an exciting and sometimes exhausting year. We would like to thank everyone who participated in these organizations, even if it meant giving up some of your "riding around" time. We would also like to thank all of the sponsors for giving up their time and putting up with hectic, energetic teenagers. And for those people who started new organizations and cared enough to keep them, up we say, "Good for you!"

Classes

Each year of the Lion's existence we have watched new people coming and the same old faces growing. As you will notice in the class section this year, people can change. Everyone has grown older, from Kindergarten (they too, have to grow sometime) to our '77 Seniors. We hope you will recognize yourselves because you are the ones who have changed.

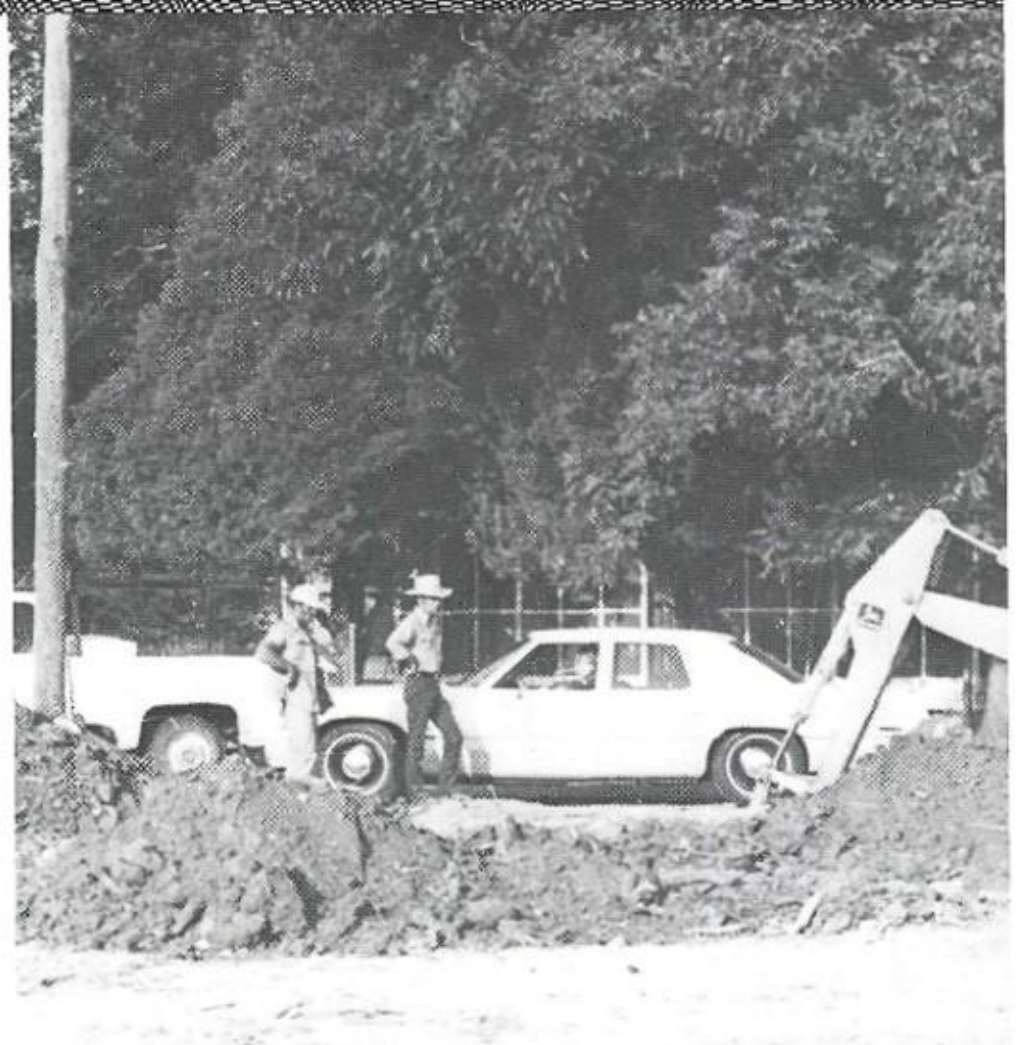
Activities

The activities section of our annual is always exciting. We all get to see who made it — Who's Who. We get to vote for Mr. & Miss E.H.S. and we have a chance to envy the F.F.A. Beauty and F.H.A. Beau. An this year we have a new addition to the Lion — The Beauty Pagant, where we have Beauties and their runners-up. Why is it that every year when the annual comes our people turn to this section first? Well, to see themselves, or their friends, or people they will always envy.



Senior Beauties

On January 15, 1977 thirty-seven girls were full of enthusiasm and ready to face the judges in our first Annual Beauty Contest. Each contestant was evaluated in the areas of youth fitness, personality, poise, appearance, and a personal interview. There were six girls who entered in the Freshman age group--each girl was a semi-finalist. There were five semi-finalists from the Sophomore and Junoir divisions, but for the Senior division there were six semi-finalists. There were eight judges and a tabulator. In many of our girls there was a touch of humor, which helped to relieve the tension that exposed itself in unwanted times.

Sophomore Beauties

As each contestant walked on the stage, a feeling of excitement rushed through their bones. "What if I fall?" or "Do I look all right?" were just two of the many questions you would hear during the whole week of the pageant. Back stage, some girls had 3 minutes to change before going on stage again. Girls were busy fixing their hair--they may have fixed it 8 times and found out that it looked just as good the first time as the 8th. During changes, talent numbers were presented by several different students or entertainment by the M.C. kept the feeling of tension down. Now, the time for the winners came. As each winner was called, a feeling of satisfaction and exhileration filled each girl. Every girl was a winner in her own way. Congratulations to the winners!

HARVEST FESTIVAL

As you can see, our Harvest Festival had many people come to enjoy the activities of the festival. Just to mention a few of these activities were, the dunking machine, ring tossing, the jail, bingo, football, softball, and dart throw, and a fishing hole. Of course there were many others but we can't begin to name them all, so if you missed the Harvest Festival this year you better catch it next time around.

These girls were seen all over town working hard to sell their tickets for the Harvest Festival. All the money made was given to the band, which was put to good use. We are proud to say our queen, Lynne Boatright raised over $650.00. That-a-way Lynne.

1st Row: Darla Von Johnson, Daria Chapman, Lynne Boatright Queen, April Hughes, Linda Romine, Deloris Tipton.
2nd Row: Regina Massey, Louri Anderson, Scarlett Tucker, Brenda Stewart, Becky Krisell.

In Memory

Life is bearing it all,
The joys, the sorrows, and pain.
But even after life has vanished,
Sweet memories still remain.

If I can be remembered,
As those who have gone before,
I'll feel my debt to this world is paid.
And I shall owe it no more.

We can't look back at the past,
We must look at the future ahead,
And in place of asking why it was done,
Look at what is to be done, instead.

The personalities of Nietta Lisk, David Atchison, Steven Antonia, and Darrell Tillman, will long be remembered in the hearts and minds of the students at EHS.

Advertisements

The ad section of our annual is one of the most important sections for if it were not for our merchants we could not have published the '77 Lion.

We the annual staff appreciate all of the people who cared enough to support the Lion by buying an ad. We feel that the Lion will always be around as long as there are people like you who care. We now wish to recognize all the businesses who made our book possible.

So WATCH IT HAPPEN.

Well schoolmates, classmates, and faculty, another year has come to a close. In our 1976-1977 school year, we've watched many exciting things happen.

We've watched new friends come and old friends go, the Juniors rushing to get things ready for prom, athletes practice for games and we've seen success, whether it showed on the score-board or in personal success. And most important to some, the Seniors getting ready for graduation.

As the year comes to a close we've watched the sadness yet excitement in many eyes. We hope this year's annual will help you to remember the good times you've given and received this year. Thank-you for sharing your time and Watching It Happen with us.
